

CONFERENCE: MIDWEST UNIVERSITY

March 20-21 was ATG USA's annual conference Midwest University. This year we had the opportunity to exhibit AND present a class!

Read all about it in "[5 Lessons Learned from Midwest University](#)", a blog post written by our Marketing Manager Cat McGuire after her first time attending.

VP of Sales, Erik Hoogerhuis, ready to present!

Cetrus Process Meter (CPM) v4.1 Release

On Jan 9, 2019 we released a new version of CPM. The biggest improvement in this version is that our installation process *no longer requires SQL Server*. Other changes are less visible, but are preparing for the Application REstrictor (ARES) Plug-in.

NEW PARTNERSHIP: DELTEK

We are pleased to announce a new partnership with Deltek as of March 21, 2019!

We hope this partnership will bring attention to how easily our [Expense-2-Project \(E2P\)](#) data can be used with Deltek's Vision for project billing. With just a simple import of E2P's data, Vision automatically charges each project with the correct amount of use, increasing our customer's **profitability**.
